

Schedule for services at St. Nicholas for the months of July and Aug. 2021

Currently, the Public Health orders in Manitoba limit attendance at indoor services to 25% (or 25 people). To accommodate this we are asking that those wanting to participate at our in-person services register online. Each week on Wednesday morning a registration link for the services that week will be sent out. We ask that every household be respectful of others wanting to attend our services when signing up, and if needs be, to stagger their attendance, or consider other services beyond Sunday morning.

If you are **not currently on our parish email list** (different than the parish bulletin list) and would like to be included to register, please contact Stnicholasofnarol@gmail.com

Every attempt will be made to accommodate as many people as we can, regardless of whether they are members, visiting, and or interested in Orthodox Christianity.
